### 2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode

As the college is affiliated to Savitribai Phule Pune University, separate weightage is not assigned for the overall development of students. However, the college ensures that the students should be groomed properly through the internal assessment. Transparency in the internal assessment is maintained by

- In house typing and printing of question papers.
- Showing internal examination answer sheets to the students.
- Displaying the internal marks on notice boards.
- The responsibility of conducting of examination and declaring the result of First year undergraduate Courses is with the college. Therefore to ensure transparency Central Assessment Programme (CAP) is introduced where all the formalities of assessment is done like University Central Assessment Programme. In this, to maintain the transparency, the assessed answer books are shown to students as per the demand of students. Even students can apply for photocopy of answer sheet.

Teachers on their own keep track of the attendance, behavioural information of the students, sincerity in submission of practical journal, independent reading and learning of the subject materials, communication skills in the class and at the time of oral practical exam etc. The overall performance on the above aspects are considered and reflected in their practical marks. For the students of BBA, BBA (CA), M.Com., M.A. Courses, due weightage is given for attendance in class, presentations and assignments, internal tests and tutorials. Once the marks are ready, they are displayed on the college notice board.
